

# Halloween 2011

Thank you for your willingness to help!

\* The parade begins at 1:00pm.

Please help encourage the parents who begin assembling outdoors to please watch the parade along the route, instead of congregating by the front door.

\* If you have time and can help students with changing into their costumes in the bathrooms beginning around 12:00, it would be greatly appreciated!

\* All "helpers" can report and help during the parade, but should report to their "door" once the students end up on the blacktop for their group photos.
